

Hotchkiss K-8 School
Weekly News Update
“Opening doors for endless possibilities.”

Principal’s Message:

We have experienced a great week at school. Our football and volleyball teams represented themselves and our school with pride. The 8th grade football team battled a tough Cedaredge team and lost and our 7th grade team beat Cedaredge. At the conclusion of the game I had a chance to talk to the head official who came from out of town. I thanked him for coming over and he said it’s a pleasure when you get to be around good kids. So both teams represented themselves very well. Thankful for the good examples set by Coach Eric Hollembeak, Coach Chuck Miller and Coach Scott Rienks. I also want to give a shout out to the high school principal, Marty Rover, for volunteering his time to help officiate last night.

Our volleyball teams played their first games this week. Both of the 7th and 8th grade teams won all of their games against Columbine from Montrose. Very impressive ladies! Thank you to Coach Lynette Clock and Amy Peebles for all of the time and preparation. They are also great examples for our athletes.

We are also ready to begin our academic extra curricular activities. One of the things that makes Hotchkiss K-8 so wonderful is the opportunities students have outside of the classroom to discover, learn and grow. It takes people willing to lead these clubs and programs outside of their regular work day. We are blessed to have some outstanding staff members and a parent volunteer to do this. A big thanks to the list of people below.
