#### Principal's Message:

It was tough sledding for our football teams this week against Delta. Our 7th grade team lost a close one 18-20 and our 8th grade team lost 0-28. I'm proud of their efforts and how they compete and play hard the whole game. Our volleyball teams continue to do very well as they finish out their regular season and prepare for the county tournament. Both 7th grade teams defeated Paonia on Tuesday and the 8B team beat Paonia and the 8A team lost in two close games. On Thursday the 7B and 8A teams defeated Centennial and the 7A and 8B teams lost.

We have parent-teacher conferences next week on Monday and Wednesday. This is a great time to meet the teachers and discuss your child's progress. Remember your child's teacher is on their side and wants them to succeed. Teachers spend many hours dedicated to the success of your child. They also appreciate the time and sacrifice parents make to help their children succeed and do their best. It's ideal when teachers and parents work together towards that common goal. Ultimately we both want the kids to take on the responsibility of their own education and having the desire to become lifelong learners.

The 3-8 graders will be receiving an E-Card for the Delta County Library system. They will receive the card and information about how to use the card at parent-teacher conferences. The card will allow many of the electronic resources to be available in the county library system for student use. They can access many reading and research resources at home or at school.
