Principal’s Message

In the spirit of Thanksgiving, I just wanted to say thank you and how grateful I am to be here at Hotchkiss K8. I appreciate the staff that I have the privilege of working with everyday. They are wonderful people and care about your kids. I am amazed of all the effort that they put into their job. Many hours of preparation are put in so your kids will have the best opportunities for a great education. I want to thank you parents for your support and kindness that you have shown me in this position. Your support is vital for our kids to have an excellent school. The community has been generous in their efforts to support what we have wanted to accomplish at our school. I also want to thank the kids that come here everyday. They are the best. They have been wonderful and have given me a chance to succeed here. It is a blessing to see them and watch them learn and grow each day. Please take time and enjoy your families during this holiday. When we are grateful for what we have and count our blessings we can always see life as good!
