Weekly News Update

“Opening doors for endless possibilities.”

April 12, 2019

Principal's Message

I just wanted to thank everyone for making this year's Spring Fling an outstanding event. We were very successful in raising money for our school. I am continually amazed at the generosity of our local businesses and our community. The baskets that were available for the silent auction displayed the uniqueness of the people and culture of our little town. We also had many businesses donate from outside our area. Thank you to Jenna Zeldenthuis, Kameal Clark, Paige Johns and Amber Hawk for doing the leg work of collecting the donations. Thank you to all of the parents that helped with games and spent time making the class baskets. Thank you to our staff for organizing and running the games and entertainment. The food and sno-cones provided by NJHS and Student Council topped everything off. Good times!

Destination Imagination Teams

Our two DI teams just completed their state competition this past weekend in Denver. They represented our school and community with pride. The team composed of Van Barrow, Sidney Neff, Tyler Carlquist, Zephyniah Klaseen, Brailey Angelovich, Kevin Regelman and Annalise Hendrix placed in the Top 10 of their competition. They are managed by Laura Rossi. The team composed of Landon Brown, Sasha Taylor, CeCe Housewart, Piper Smith, Allen Washburn and Hunter Thompson placed 2nd in their competition and won the Renaissance Award for engineering design and performance. They also qualified for Globals which will be held in Kansas City, MO from May 22-25. They are managed by Mike Smith. Good luck to them at the Global competition where they will compete against teams from the United States and about 15 other countries.

Calendar:
